ELECTRONIC INFORMATION ACCESS

INTERNET

The National Agricultural Statistics Service and its' Illinois Field Office each have a home page on the World Wide Web that provides easy access to a wide range of statistical information about agriculture. Through these home pages, you can obtain information on many subjects and in many forms. Use the following addresses to obtain information for counties, States, and the Nation:

USDA, NASS, Illinois Field Office
www.nass.usda.gov/il

National Agricultural Statistics Service
www.nass.usda.gov

ELECTRONIC MAIL

Statistical publications from our state and national offices are available free of charge via e-mail within a short time after publication. The Illinois Field Office provides the following publications via e-mail:
The Illinois Crop and Weather Summary is a weekly summary of crop progress and conditions.
The Illinois Farm Report contains summaries of all our major reports and is published 16 times yearly.
Illinois Press Releases are intended for new media such as newspapers, magazines, radio stations, etc.
